**Stakeholders Feedback and Action Taken Report for the AY 2020-2021**

The MKSSS, School of Fashion Technology, Pune has a well defined practise of getting feedback of teachers from the students. This is known and considered a very important academic practice which is conducted twice every year.

Feedbacks are taken seriously so as to take corrective actions and endorse quality teaching.

The main objective of the feedback system is to understand the Teaching Learning strengths and weakness. The complaints and suggestions given by the stakeholders are meant for the betterment of the college practices.

The comments and suggestions given by the students are carefully recorded, analyzed and rectification measures are taken wherever necessary by the concerned authorities.

The faculties are assessed on the following points.

1. Subject knowledge
2. Faculty's computer skills
3. Sincerity of the faculty
4. Interest generated in the subject by the faculty
5. Punctuality of the faculty
6. Syllabus covered by the faculty
7. Accessibility of the Faculty in and out of the classroom
8. Communication Skill of the Faculty
9. Understanding of faculty to create question papers/assignments etc
10. Faculty's overall performance

The collected feedback is analyzed by the principal Head of the Department and Course Coordinators wherever necessary. Positive feedback is appreciated and attention needing pointers are discussed and relevant action is taken in consultation with Local Managing Committee.

**Actions taken on 2020-2021 Feedback**

- Due to the Pandemic the colleges were instructed to work online.
- Faculties were extended the support to prepare the subject videos for the students.
- Each video was checked by the principal madam and other authorities and then it was sent to the students.
- Post viewing of the videos, special doubt sessions of the faculty were kept where the students interacted with the faculties
- Faculties were asked to elaborate the topics in syllabus where it was needed and given extra counselling to the students who were weak in the particular subject.

- Course Coordinators were asked to review the syllabus where ever required to reduce the gap between World Global Fashion Scenario and Academics.
- Faculties were asked to suggest the name of books as per the new latest edition in the syllabus as reference books. E Books and Forecasts were provided to the students.
- Course Coordinators were suggested to add more value added courses in the syllabus.
- Learning Management System for student's interaction was upgraded.
- Smart Class rooms, Video conferencing, Google meet etc. was made effective by use of ICT in the Pandemic
- Skill Assessment exercises was given to the students. This helped them to understand their strong and weak skillsets.
- Apart from regular teaching, social awareness and human values seminars were imparted to the students.

All responses are recorded in google form and can be produced as and when required by the officials/management
