MINUTES

ACADEMIC COUNCIL

APRIL 17, 2015

INFORMATION/ DISCUSSION

The Ph.D. Entrance Test (PET) is conducted twice a year. The candidates after clearing the written test have to appear for an interview. The PET interview result is declared rank-wise, on the basis of merit/ marks obtained.

In M.Phil / Ph.D. guidelines, there are no specific rules / guidelines about deciding the rank of the candidates having equal marks in interview. Hence, it is suggested that the marks obtained by the candidates at Master's level, work experience, any other added relevant qualification (Degree / Diploma), any research work done earlier can be the criteria, in that order for deciding the rank. Orders were taken from Madam Vice-Chancellor for approving the above criteria.

RESOLUTION:

Resolved that the decision of Madam Vice Chancellor to use the criteria of marks/ work experience/ relevant qualification/ research work done earlier as criteria in that order for deciding rank at the time of declaring PET interview result be ratified.

Agenda Item No. 9

To consider the minutes and recommendations of Ad-hoc Board of Studies in B. Design made at its meeting held on March 16, 2015. (Appendix – 'C')

INFORMATION/ DISCUSSION

The minutes and recommendations of Ad-hoc Board of Studies in B. Design made at its meeting held on March 16, 2015 were placed before the house. The Board of Studies had invited Dr. Sanjay Pawar as special invitee to finalize the titles of Computer related Courses. The Board of Studies also revised PG Diploma Programmes and made them of 40 credits.

RESOLUTION:

Resolved that, the Madam Vice Chancellor be empowered to approve the syllabus of B. Design after the Board of Studies gives the reference list in a standard format, Objectives, as well as content weightage and submit to D/BCUD.

It was further Resolved that, the students completing a two years Diploma Programme in Textiles and Clothing will not be eligible for admission to B. Design programme.

Agenda Item No. 10

To consider the minutes and recommendations of Ad-hoc Board of Studies in Nursing, made at its meeting held on July 18, 2014. (Appendix – 'D')

INFORMATION/ DISCUSSION

The minutes and recommendations of Ad-hoc Board of Studies in Nursing, made at its meeting held on July 18, 2014 were placed before the house. The Board has suggested that, dual correction system instead of moderation should be implemented for M.Sc. Nursing. The Board has also recommended that, two new programmes can be started from 2015. But internship at M.Sc. level will not be possible as the students have to go for field work.

'National Curriculum Enhancement Workshop' conducted in 2019 – Certificate
